

Our Community

Philanthropy and community involvement are an important part of our company culture at WENCO Construction Company. We actively support many not-for-profit organizations in our community with both time and financial resources.

We are humbled by the success we have achieved with our company and feel a sincere sense of responsibility to ensure all members of our community get similar opportunities to succeed. To that end, WENCO employees are strongly encouraged to become engaged in civic involvement. Whether it is coaching a youth sports team, dedicating time to a religious organization or serving on the board of a non-profit agency, community involvement is a fundamental part of the WENCO family tradition.

Organizations WENCO Construction Company actively supports include Dayton Chamber of Commerce, I70-75 Development Association, Dayton Regional Manufacturing Association (DRMA), Western Clark County Business Coalition as well as a myriad of other worthy causes served by our employees through their time, talents and resources.

Mission and Vision

WENCO Construction's mission is to provide quality workmanship and customer service while maintaining the highest level of professionalism, honesty and fairness in our relationships with our customers, employees and vendors.

To grow by continually providing useful and significant products, services and solutions to markets we already serve – to expand into new areas that build on our competencies.

Our vision is to be the preferred contractor of choice. A company that our customers want to work with and our employees are proud to work for.
